

Just Like Heaven with Reese Witherspoon. It had funny skits, and the two main characters and the guy at the pub were funny.

Rob, 10

Cheaper by the Dozen. The main guy (Steve Martin) is so funny. They all are!

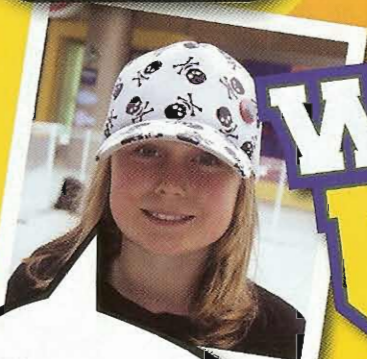

Somerset, 6

Ace Ventura 1 + 2. I like the bit where the guy wears a ballerina dress, and the crocodile-wrestling scene.

Jack, 7

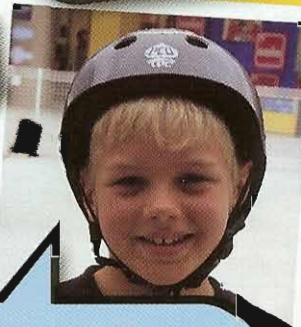

WORD UP!

Little Britain. It's a TV show, not a movie, but the fat guy in a wheelchair who can actually get out of it is really funny.

Lilith, 9

OK MANIACS. This is where YOU get to have YOUR say. This month's question: What's the funniest movie ever?

Chicken Little. It's so funny. I really like the bit where Chicken Little says: "I find you very attractive" to Abbey.
